Our new courseware is live and loved by learners

45.6 net promoter score
from active vision learners
on the courseware

As NPS scores go, this is good (to put it into context, Google is 38). We hear that learners like the new 2.0 modules, mobile accessibility and clean look and feel through the steady increase in our rating.

>150K dollars

spent annually on compliance monitoring and updates

We know you rely on us to keep our courses up to date on Federal, Texas and Virginia Fair Housing laws, in addition to other critical compliance areas.

15 – 20
minutes

average time to complete
a course module

We know it's hard for learners to step away and conduct training, that's why we shortened our modules with the launch of our 2.0 courseware, so that all modules can now be completed in no more than 20 minutes. With over 383 course modules in just the Essentials catalog, there's a customized path waiting to be built for each one of your learners.
