

Partnering with Best-In-Class Companies Inside and Outside the Industry

When great minds come together great things happen. That's why we partner with some of the best and brightest from inside and outside the real estate industry to create innovative products, solutions and services for our customers through technology, content, channel and industry partnerships.

entrata

Partnering with Entrata, the fastest growing property management software company, we're able to provide a seamless and effective learning and development experience for our mutual customers.

zoom

By integrating Zoom conferencing and webinar technology in Vision, our customers can easily schedule, host, record, edit, and track all of their webinars using a company branded Virtual Classroom.

HD SUPPLY

Joining forces with HD Supply means Grace Hill can now provide you with direct access to the highest-quality, comprehensive online maintenance training videos in the industry.

INCENTCO

Through INCENTCO's engagement and incentive technology, our customers are able to connect positive employee engagement, training outcomes, and behaviors to incentives and behavioral rewards.

In partnership with NAAEI, we created Visto to provide property management professionals with easily accessible online training options for credentials and continuing education courses that align with their career paths.

Working with Elaine Williams Consulting, we can provide our customers with best practices training solutions for Entrata property management software delivered through the Vision learning management system.

HAYNSWORTH SINKLER BOYD

With the help of Haynsworth Sinkler Boyd legal monitoring of compliance issues related to multifamily, we've developed the most comprehensive and up-to-date compliance training program in the industry.

Alliant

Leveraging workplace insurance data for property management from our partnership with Alliant has allowed us to develop industry-centric safety training courses that help our clients mitigate risk in day-to-day operations.

We partner with Multifamily Insiders to create content-driven learning and development programs through multiple media channels that support skills and career growth for property management professionals.

Building Owners and Managers Association (BOMA) International is the leading trade association for commercial real estate professionals representing the owners, managers, service providers, and other property professionals of all commercial building types.

IREI provides investment fiduciaries with information and insights on the people, issues, ideas, and events driving the global real estate and infrastructure investment marketplaces.

Eliminating Deposits for Good - Powered by insurance technology, we eliminate security deposits from enterprise operating infrastructure.

Property management software that gives you the clarity to focus on what matters most. Intuitively designed to delight your residents and staff. Smartly automated so you have the time to run your business and scale your vision.

With the industry's most prominent and creative leaders as the helm, NMHC provides a forum for insight, advocacy, and action that enables both members and the communities they build to thrive.

GRESB is the leading Environmental, Social, and Governance (ESG) benchmark for real estate and infrastructure investments across the world. GRESB assesses and benchmarks the ESG performance of real assets, providing standardized and validated data to the capital markets.

Livewire brings people and property together for an experience. Experience is the source of knowledge and we transform companies – whether new, distressed or in a re-launch phase – through hospitality, leadership, consultancy and development. We create advocates from within your own superstar teams and also your customers, who then become more than raving fans!

The leading association for everyone involved in the UK Build To Rent sector. Grace Hill is a “Key” Partner with the UKAA and we work together on educating the BTR sector with joint webinars and other educational opportunities to bring to the UKAA membership base. Grace Hill is also a key contributor to the UKAA Best Practices Guide.

D2 Demand Solutions is a consulting company that specializes in revenue growth for multi-family assets. They have partnered with Grace Hill to provide the Sales Performance Improvement & Coaching series within Vision. They have extensive experience in Property Management and are considered experts in their field.

Empower PMC is a nationwide leasing firm specializing in eliminating apartment vacancies on all asset types. With over 20 years of combined experience, Empower PMC has helped property owners and operators reach their occupancy goals on their most troublesome properties by multiplying their leasing velocity and empowering their leasing staff to repeat such success long after the engagement is complete. Empower PMC provides a comprehensive range of leasing services, most of which are uniquely curated to meet the needs of each client. Each of our services comes highly recommended by executive level owners and operators.

Higginbotham REAL HR is a single source Human Resource outsourcing company - ideal for small to medium sized businesses looking for simple HR services like payroll processing or administration, to enterprise-level companies interested in advanced HR resources outsourcing beyond the scope of what can be managed by their in-house HR department. Together we can offer a full Human Capital Management System to include HRIS/Payroll system + Vision + PolicyPartner. Utilizing Higginbotham REAL HR allows management companies to pay on a “PEPM” (Per Employee Per Month) model as opposed to other payroll/HR companies that charge one lump sum on a % of payroll costs - this has been proven to save management companies money.
