

PolicyPartner

Enhanced policy management for operational excellence

PolicyPartner gives you powerful and easy-to-use tools for creating, managing and distributing effective policies that **strengthen operations, reduce liability risk and improve people and property performance.**

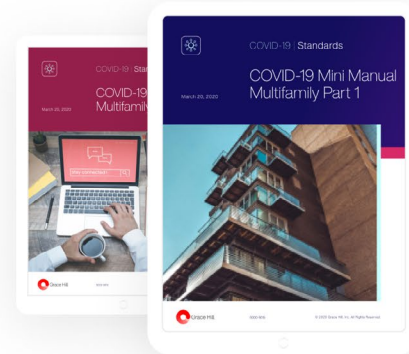

There's a reason people around the world turn to PolicyPartner: It offers a best-in-class experience that is consistent and compliant, enhancing your organization and boosting your business. You need a solution that produces results – and **with PolicyPartner, the outcomes speak for themselves.**

PolicyPartner allows you to...

Maximize flexibility to meet organizational need

- ✔ More than 745 policies across subject areas, from leasing and marketing, to accounting and commercial, to management and operations
- ✔ Expertise spanning multiple verticals (conventional, student, affordable, commercial) and functions (operations, HR, training, marketing, risk management)
- ✔ Guided virtual customization, or full in-person customization to tailor PolicyPartner to your specific business objective

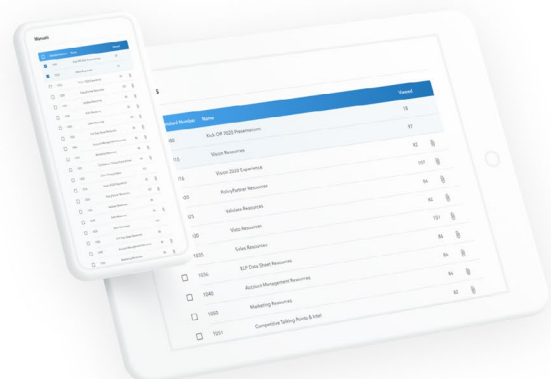

Boost employee engagement and streamline policy administration

- ✔ Technology-enabled solution that lets you develop, manage and communicate policies and procedures across your entire organization
- ✔ Rapid access to policies, built by industry experts, to minimize legal exposure
- ✔ Bolster employee and team performance for retaining and developing talent

Leverage leading-edge tools in policy management

- ✔ Housed in a single location but accessible (and editable) from any device, so that use across teams is seamless
- ✔ Robust search engine and Google translation that eliminates the need for costly reprints and binders
- ✔ Comprehensive, up-to-date legal monitoring for compliance issues, with detailed versioning and history as backup for any litigation needs
